

Farm Life's Got Talent Open Show

Beginner Division- this division may have a handler in the ring to assist the rider. This routine should be no longer than 3 minutes. Judges will be looking for proper equitation, the ability of the rider to use some beginner level riding aides, the choreography - music - costume and the harmony between horse and rider. Open to all tack and bareback riders. Teams are allowed in this division. (Each rider must pay full entry fee)

Walk Trot Division- This division is for riders who are confident at the Walk/Trot but who are not quite ready to Canter. This routine should be no longer than 3 minutes. Judges will be looking for proper equitation, the ability of the rider to use riding aides, the choreography - music - costume and the harmony between horse and rider. Open to all tack and bareback riders. Teams are allowed in this division. (Each rider must pay full entry fee)

Novice Division- This division is for riders who are just starting to canter confidently. This routine should be no longer than 3 minutes. Judges will be looking for proper equitation, the ability of the rider to use riding aides, the choreography - music - costume and the harmony between horse and rider. Open to all tack and bareback riders. Teams are allowed in this division. (Each rider must pay full entry fee)

Advanced Division- This division is for riders who are confident at the W/T/C. This routine should be no longer than 3 minutes. Judges will be looking for proper equitation, the ability of the rider to use riding aides, the choreography - music - costume and the harmony between horse and rider. Open to all tack and bareback riders. Also open to Bridle-less riders. Teams are allowed in this division. (Each rider must pay full entry fee)

All divisions may add obstacles to their routine (jumps, poles, barrels, whatever else you might want) You must have people to set those obstacles up for you and it must take no longer than 2 minutes to get that done.

There are no restrictions to the routine you choreography except time. If you exceed 4 minutes points will be deducted. You do not have to be mounted at all times during your routine..does your horse bow?? Show it off. Does your horse know cool tricks?? Show it off. Just make it work in the routine.
